Xanté to Showcase Next-Gen UV Wide-Format Printers at PRINTING United Expo in Orlando, FL

Mobile, AL — October 14, 2025 — Xanté announced today it will display a full lineup of digital production print solutions at PRINTING United Expo, taking place October 22–24, 2025, at the Orange County Convention Center in Orlando, Florida. Visitors can experience live demonstrations at Booth #1513. To be shown are two new introductions: the X-121 UV Flatbed, capable of printing up to 10 ft by 5 ft full-bleed signage, and the XR-126 Roll-Fed UV Printer, which allows customers to print on a 10 ft roll while having the flexibility to print on a wide variety of media sizes.

“Our mission is simple: give print providers the tools to say ‘yes’ to more jobs, be more efficient, and grow profitably,” said Robert C. Ross Jr., President & CEO, Xanté. “We’re proud to have supported PRINTING United since its inception and excited to show how these new systems plug seamlessly into shops.”

What’s on the floor at Booth #1513

NEW — X-121 UV Flatbed

- Production-class UV printer with a footprint that still fits through a standard doorway.
- Engineered for speed and versatility for coroplast, wood, acrylic, metal, glass, and more.
- Supports thicker media up to 3 inches for signage and specialty work.

NEW — XR-126 Roll-Fed UV Printer

- Built to run banners and wide-format graphics up to 126 in wide.
- Can load multiple rolls and dual-print for high throughput.
- Shares the same printheads, inks, and iQueue Workflow technology with Xanté flatbeds to simplify training, use, and service.

X-36 UV Flatbed

- Compact, industrial-quality UV printer for small to midsize shops.
- Perfect for flat media, panels, and textured prints with raised-ink effects.
- Capable of printing ADA-compliant signage and cylindrical objects.

F-24 DTF

- An all-in-line Direct-to-Film printing system for durable apparel transfers with vivid color and wash resistance.
- Ideal for print-on-demand shirt production.

En/Press Digital Envelope Printer

- Fast, high-quality envelope and specialty media printing that turns everyday mailers into profit centers.

Live demonstrations and show specials will be ongoing throughout the show. The Xanté team will run continuous demos featuring:

- Textured UV effects and raised spot applications.
- Oversized banners and multi-panel signage.
- Rigid media printing (wood, acrylic, metal, coroplast).
- DTF apparel transfers you can take on the spot.
- High-speed envelope runs for direct mail and small-format shops.
- Exclusive, show-only promotions will be available to attendees who visit Booth #1513.
